

Sherri & Junior Poppy Princess Addison Pappe and Poppy Princess McKenna King

#### Kudos to all that helped with our Poppy Distribution on Friday May 9th and Saturday May 10th.

Many people from our Legion Family helped. Ken Nawrocki, Frank Balisteri, Romie Monarski, Craig Butler, Larry Engel, Robert Wrecza, Claude & Kevin Taylor, Ken Kasprzak, Nick Schanen, Brian & Janice Bould, John Faas, Amy Luft, Renata Quillen, Sharon Kerscher, Mel Nowak, Mary Molaski, Claudia & Steve Frank, Sherry & Addison Pappe, McKenna King, Rita Liesicfsky, Katherine Burch, Tia Brown, Jim Arentz, Gordon Lueder, Ann & Kim Fields, Paul Turowski, and Bob & Richard Rieck.

These volunteers helped on either of the days and some worked on both days or a double shift. This could not have been done without all your help!

We had Grafton well covered at many locations this year. Pick-N-Save, Sendik's, Mike's CITGO, Ace Hardware, Shopko, Sweet Trio, Colectivo, Super Sales/Dairy Queen and Fire Ridge Golf Course.

A special thank you to Linda Brown for all her help making volunteer calls, Sue Turowski for helping me each day getting the volunteers set up with poppy supplies and Diane Richards for helping me each day counting the oodles and oodles of singles!

I'm ever so grateful to all the Legion Family for all your help.

Cathy Brunnquell

#### **CAMP AMERICAN LEGION----SPRING OPENING 2014**

Submitted by Dick Lallensack

The annual Spring Opening for Ozaukee County was the week of April 28th. Once more, as was last year, we did not have a typical or normal opening week due to the weather. It was not too cold and the snow was pretty well gone except for piles from plowing but the Lake was still all ice. Ozaukee County had 30+ Legionnaires, SAL's, and volunteers up to open Camp. We had a total of about 140 Volunteers to open Camp over three weeks with a fair amount of them being up to Camp for the first time. Grafton had 5 + 3 SAL's, Belgium had 15, and Saukville had 5. All Sponsors but one was up to open their Cabins. Due to the weather, no piers were put in and no boats or Pontoon boats were put in. A group of 10 young men from Rawhide along with their Staff was in doing lots of raking and cleaning of the grounds. Chairs, benches, picnic tables, and so forth were all set out. Our group from Grafton that normally puts the piers in is scheduled to go up about May 14<sup>th</sup>-----as of 5/12 a group of 10 will be going up.

- A few guys from Belgium cleaned all Vacuum Cleaners and all Air Conditioners in Camp.
- The "living quarters" in the Health and Wellness building has a sponsor. The living quarters will be used like a Cabin and the Sponsor is Post 124 of New Holstein.
- The new Chapel is really looking good and the final work is scheduled to be completed in early May.
- The new fountain is pretty well completed and really looking nice.
- Cabin 10 completed some roof repairs to last the summer and will install a complete new roof in fall.
- Cabin 2 put in a new shower and completely upgraded their electrical system.
- The new Generator is in the Power Shack and the final "hook up" should be done shortly. Anyone want or need an old WWII vintage Generator powered by an old Jeep "flat head" four cylinder engine?
- The DNR has asked how much water Camp uses. Rather than try to estimate we will be putting water meters on all the wells. John Jentges of Belgium has donated 4 of the required 5 thus far.

I was able to get a basic sketch of the Family Cabin and the King Cabin over on Little Lake Tomahawk and I'll be completing an AutoCad layout of both Cabins. With the assistance of a few guys from Belgium we removed one of the rollers on the Folding Wall in the Main Lodge so we can hopefully make new rollers so the wall will open and close easier----it now takes several guys to open and close it.

#### Bill would ensure access to VA hospice care

By Cristina Marcos

Rep. Chris Collins (R-N.Y.) has introduced legislation to give all veterans access to hospice care through the Department of Veterans Affairs.

VA hospice care is not guaranteed to all veterans under current law. For instance, veterans must have received previous care in the VA system and meet certain income brackets in order to qualify for hospice care. Moreover, directives for VA hospice care can vary among individual facilities.

Collins said his bill would help provide veterans with equal access to hospice care.

"It was a shock to learn that some of our veterans who have given so much to this country were not allowed to receive VA hospice care at the end of their lives," Collins said. "Our veterans deserve so much better."

The House is expected to vote this week on five bills regarding services for veterans, including a measure that would overhaul the performance review system for VA senior executives.

Last week, the House voted 390-33 to grant the VA secretary authority to fire or demote senior executives amid allegations that several VA hospitals tried to conceal wait times for medical appointments.

## Milwaukee County Offers a 3 Day Pass to All Veterans

Thank you to all the members and guests of the Legion Family that participated in the Memorial Day remembrance and luncheon. The park was full of people who showed their gratitude for the ultimate sacrifices made by members of our U.S. military. Thank you to the Legion veterans and auxiliary members, Grafton High School band, the John Long Middle School chorale, the boy scouts and girl scouts of Grafton, the Badger Boys and Badger Girls and the school award recipients and especially to our Poppy Princess and Junior Poppy Princess. The words from the Legion and SAL commanders were touching and meaningful. The community filled the Post and shared a delicious luncheon prepared by members of the Auxiliary. It was truly a beautiful day. Thank you to the American Legion Auxiliary for all your hard work and dedication to our veterans and the Grafton community on Memorial Day and every day.

Judy Kuta
