WEEKLY GRASSROOTS NEWSLETTER

This week, we are asking Legionnaires to contact Congress to request support for the **SHIPS for America Act!** This legislation would improve the maritime security of the United States. This crucial domain has been overlooked for too long. Our members are clear in their belief that the US needs sustained investment in our national security to reduce the chances of armed conflict. The American Legion supports this legislation, and we appreciate all the emails you have sent so far. Go to the Action Center to quickly email a letter of support to your members of Congress.

We are proud to be an Associate Sponsor of Army-Navy Game presented by USAA.

The greatest rivalry in sports.

FIRST IN THE RIVALRY'S HISTORY

The American Legion is the first veterans service organization to sponsor "America's Game" in its history. Through this Associate Level Sponsorship, we are honored to support these student-athletes who are committed to protecting the freedoms we cherish, and we will continue to raise awareness about Be The One – our primary mission to reduce the number of veterans and servicemembers lost to suicide.

Let's Have A Party

The **2025 Army-Navy Game** is scheduled to take place on **Saturday, December 13, 2025**, at M&T Bank Stadium in Baltimore, MD.
